Kia ora

You will notice work beginning at the front of Sheldon Park for the building of a skate park for Belfast over the next few weeks. The planning for this began in 2010 when local young people approached us and the Shirley/Papanui community Board to develop somewhere for them to use their skateboards and scooters. The BCN is thrilled that after all of the changes in our environment over the past 5 years, that this project remained in the CCC plans. We are looking forward to the official opening on Saturday 5th December, and sincerely thank Shirley/Papanui elected members and Christchurch City Council staff for developing this for our community.

The BCN welcomes Arne Burgess to our team in the role of Sports Coordinator with our work in Belfast, Redwood and Northcote schools. Arne comes with a great passion for community and getting everyone active in our community. Keep an eye out for updates on our website and Facebook page and come on down to Sheldon and start moving!

Our Christmas Morning Pancake Breakfast will also be happening again this year at our facility in Sheldon Park. Please contact Lee on 3239731 if you would like to assist on the morning, or just put it in your diary to come along and enjoy!

Please do not hesitate contacting our office if you have any inquiries about what is happening in Belfast. Our Face Book page and website are good places to contact us through as well.
